a successful UX journey. An efficient user flow helps guide your users toward something. Do you want them to book a consultation? Buy a product? Download your ebook? Not everyone will start from the home page, and not everyone will have the same goals. Make sure your user has a clear journey from every corner.

Starting a UX project? Use this checklist

Step 1: Understand how a UX Design process works (Research — Design — Testing) Step 2: Pick one project and apply that process to solving it in 2 weeks. Step 3: Go to a UX professionals meetup and get feedback on the work you have done. Step 4: Take the critique, make edits.
