A Sociology of Football in a Global Context - Jamie ...

The sociology of football focuses in particular on the fact that the manner in which national teams play is shaped by the specific corporeality of their respective ethnic and social groups. Such patterns do not occur naturally; they are social constructs that people develop over time as members of their solidary group.

In this podcast, Goldblatt—who has taught the sociology of sport at the University of Bristol but who's best known as a broadcaster and sportswriter who penned the definitive volume on football, 2006's *The Ball is Round: A Global History of Football* — outlines why he thinks cocking an academic eye at the beautiful game is important, and offers tips for embedding oneself at a match so that you're in the crowd, but not of the crowd: "I don't take notes because then you look like ...

David Goldblatt on the Sociology of Football

Abstract. The paper emphasizes the need for an alternative sociology of football that goes beyond the issue of football hooliganism, which has dominated work in the field. In the light of the Taylor Report and the agenda of modernization of football in the 1990s, research into the football crowd as a whole is required.
