The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time.

Clinical Nursing Times

Ingrid Fuchs: Series . As a clinical nurse specialist, I never expected to be writing about my cancer journey. But in this series of blogs, I share my experience of being diagnosed and treated for triple-negative breast cancer, a less common form of breast cancer that is harder to treat.

Opinion - Nursing Times

Nursing Times [online]; 115, 12, 30-33. Author: Sandra Lawton, Queen's Nurse and nurse consultant and clinical lead dermatology, The Rotherham NHS Foundation Trust. This article has been double-blind peer reviewed

Skin 1: the structure and functions of the skin | Nursing Times

Taking place at the clinical facility in which you will be performing your hands-on nursing skills, clinical orientation is designed to give you a detailed lay of the land and answer any questions you may have about your upcoming nursing clinical. The importance of clinical experience emerges when you consider that during orientation, you will:
