Defence Logistics Enabling And Sustaining

NATO's deterrence and defence posture is based on, among other factors, an effective combination of cutting-edge weapons systems and platforms, and forces trained to work together seamlessly. As such, investing in the right capabilities is an essential part of investing in defence. NATO plays an important role in assessing what capabilities the Alliance needs; setting targets for national or ...

The announcements such as 25,000 km of highways, 4 multi-modal logistics parks on PPP, 100 Gati Shakti cargo terminals, 400 Vande Bharat trains, a string of ropeway projects in hilly areas, a high priority for Ken-Betwa river link project and 60,000 crores for 'Har Ghar Nal Se Jal' lay the overall vision of the government.

Latest Union Budget Highlights 2022 | EY India

The industry has been overshadowed by seemingly more dynamic and agile transport and logistics sectors. But that could radically change in our better connected, data-led near future, especially with rail forming a key part of the infrastructure relied upon for COVID-19 recovery in many global markets, and as passengers gravitate towards more ...

Military deception (MILDEC) is an attempt by a military unit to gain an advantage during warfare by misleading adversary decision makers into taking actions detrimental to the adversary. This is usually achieved by creating or amplifying an artificial fog of war via psychological operations, information warfare, visual deception, or other methods. As a form of disinformation, it overlaps with ...
