Feminist Perspectives On Criminal Law

This work is intended as a supplement to textbooks on undergraduate courses as well as a core text for a specialist course on law and gender, advanced criminal law and postgraduate courses. Although the book is intended primarily for teaching purposes, it is sufficiently challenging to advance feminist critique of criminal law.

Feminist Perspectives on Criminal Law - Google Books

This chapter explores the extent to which this is the case within the criminal justice system and the law itself. In doing so, it includes only a brief consideration of sentencing, but excludes, for reasons of space, the question of whether criminalisation is always the best response to non-sexual, non-fatal acts of violence.

Feminist Challenge in Criminal Law

Feminist legal theory, also known as feminist jurisprudence, is based on the belief that the law has been fundamental in women's historical subordination. Feminist jurisprudence the philosophy of law is based on the political, economic, and social inequality of the sexes and feminist legal theory is the encompassment of law and theory connected. The project of feminist legal theory is twofold. First, feminist jurisprudence seeks to explain ways in which the law played a role in ...
