Hello r/cleveland I have gone through a fairly long process with various tests and waiting times for ArcelorMittal here in Cleveland. About 2 weeks ago I took a urine and hair sample drug test as well as a background check. They've stated that as long as i don't receive an email saying I've been rejected I'm still being considered and also not to call them regarding the status of employment.

Pediatric Acute-onset Neuropsychiatric Syndrome (PANS) is a clinical diagnosis given to children who have a dramatic – sometimes overnight – onset of neuropsychiatric symptoms including obsessions/compulsions or food restriction. They are often diagnosed with obsessive-compulsive disorder (OCD) or an eating disorder, but the sudden onset of symptoms separates PANS from these other disorders.

For the transition to electric vehicles to be fully successful, carmakers must increase efforts to extend range, reduce cost, and enhance safety. A new S-in motion® study from ArcelorMittal reveals that advanced high strength steels (AHSS) solutions are the best choice to achieve this revolution in mobility at an affordable cost. The first part of this study focuses on battery pack solutions.
