Pop How Graphic Design Shapes
Art Nouveau is a style of decorative art, architecture, and design prominent in western Europe and the USA from about 1890 until about 1920 and was characterised by intricate linear designs and flowing curves based on natural forms and an 'earthy' colour palette. These identifiable flat, outlined illustrations and hand-drawn typefaces leads to Art Nouveau sometimes being confused with Art Deco ...

Graphic Design Styles | OnlineDesignTeacher
What is Graphic Design? Design is simple, yet it's so ubiquitous that it's hard to pin down in one easy definition. Technically, graphic design is the communication of an idea using visual means. Graphic designers use various tools to achieve the goal, including elements like typography, colors, shapes, and illustrations.

What is Graphic Design? - A Beginner's Guide - Pixpa
graphic design, the art and profession of selecting and arranging visual elements—such as typography, images, symbols, and colours—to convey a message to an audience. Sometimes graphic design is called "visual communications," a term that emphasizes its function of giving form—e.g., the design of a book, advertisement, logo, or Web site—to information. An important part of the ...
