As stated before, opinions in terms of the U.S. major political parties play a large role in terms of attitudes about the Tea Party movement, with one study finding that 20% of self-identified Republicans personally view themselves as part of the Tea Party. The movement has sponsored protests and supported political candidates circa 2009.

Communitarianism is a philosophy that emphasizes the connection between the individual and the community. Its overriding philosophy is based upon the belief that a person's social identity and personality are largely molded by community relationships, with a smaller degree of development being placed on individualism. Although the community might be a family, communitarianism usually is ...

Because the problems appear to have political origins, they appear reversible by government action. Thus, one paradoxical outcome of globalization may be to refocus political attention on the role of the state on the boundaries of national territory (Berger 1995, Kitschelt 1995, Della Porta 1998). Citizens are mobilizing along new lines of ...

Urbanization occurred rapidly in the second half of the nineteenth century in the United States for a number of reasons. The new technologies of the time led to a massive leap in industrialization, requiring large numbers of workers. New electric lights and powerful machinery allowed factories to run twenty-four hours a day, seven days a week.

Chicago, with half the population, saw 774 murders in 2020. Even petty theft — electronics and such — seems to me rare to nonexistent, and people can just leave their bag on a table to reserve their seat. Its education system is globally number 1, its IQ number 3 (behind Japan and Taiwan). All in all, it seems to me that Singapore is a well ...

The bibliography offered hereafter is organized alphabetically and not, as in many past years, by specific topics or geographic areas. For reasons more fully explained in the article entitled “Comparative Education Review Bibliography 2015: Galloping Growth and Concluding Reflections” in the November 2016 issue of the journal, the “pigeonholing” of references into unique categories has ...
