Amartya Sen & Jean Drèze are Left heroes but it would be wrong to call them simple statist. H istory overtook intellectual fashions. The Berlin Wall fell, the Soviet Union collapsed and India was faced with multiple crises characterized by high inflation, low growth, dwindling foreign trade and an impossible balance of payments situation. Willy-nilly, India adopted some aspects of so-called neo-liberalism – lower tariffs, fiscal discipline, elimination of an anti-export bias and so on ...

BIOGRAPHICAL NOTE | Amartya Sen

In February 2008, amid the looming global financial crisis, President Nicolas Sarkozy of France asked Nobel Prize-winning economists Joseph Stiglitz and Amartya Sen, along with the distinguished French economist Jean Paul Fitoussi, to establish a commission of leading economists to study whether Gross Domestic Product (GDP)—the most widely used measure of economic activity—is a reliable indicator of economic and social progress.
