Western Civilizations Their History Their

Its roots lay in the civilizations of ancient Greece and Rome (which themselves built on foundations laid in ancient Egypt and Mesopotamia). It took shape in medieval Europe, with its Christian religion, feudal society, dispersed power-structures and growing economic dynamism. It was in the modern era that Western civilization took flight, however.

Western Civilization: Roots, History and Culture | TimeMaps

The former British Empire and their Commonwealth and former colonies (i.e., America) controlled the general narrative of Western civilization’s history, and their impact remains. More people died from the Transatlantic Slave Trade, than all the cannibalistic acts of the Aztecs recorded from the time of the explorers.
