An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

In Europe, the 9th century gave rise to feudal societies. Feudal societies were still agriculturally based but organized according to a strict hierarchical system of power founded on land ownership, military protection, and duties or mutual obligations between the different classes. Feudalism is usually used in a restricted sense by historians ...
