The Magic Barrel won the National Book Award in 1959 and is generally regarded as his best short story collection. "The Magic Barrel" features Leo Finkel, a young man studying at New York University to become a rabbi, and Salzman, the marriage broker to whom Leo turns because his studies have prevented him from having a social life.

### Analysis of Bernard Malamud's The Magic Barrel

Progress is the movement towards a refined, improved, or otherwise desired state. In the context of progressivism, it refers to the proposition that advancements in technology, science, and social organization have resulted, and by extension will continue to result, in an improved human condition; the latter may happen as a result of direct human action, as in social enterprise or through ...
